This weekend we celebrate **Father's Day**. A tradition that most families will celebrate with a family BBQ, a visit to the folks house, and gifts for dad. It's a day we use to show gratitude to our Fathers for all they do to support us in life. The role of Father has changed some, there is still the traditional role of father but there are other male role models like step-fathers, grandfathers, brothers, godfathers, and special friends that are honored this day. It really doesn't matter how they step in to show guidance, love and help, we take the time today to recognize them. This day honors the husband of the Virgin Mary and father of Jesus Christ. The tradition of Father's Day has only been officially recognized in the United States since 1972. Children whose fathers are involved in their life in a beneficial way tend to do better in school and stay out of trouble. We just want to say "Thank You" to all the wonderful dads, father figures, grandfathers, godfathers, priests and to the Holy Father today for all you do to bring the light of Christ to your children.

There is a **Rosary on Mondays**, 9am (not if Monday falls on a holiday) at St. Mary's Church for an end to abortion and a **Rosary on Thursdays**, 7pm at St. Mary's Church or Grotto (determined by weather), for the sake of this great nation.

ST. MARY'S CHOIR: back row l to r: Ruth Grady, Linda Schmit, Linda Krempeges, Carla Eichacker; middle row l to r: Michelle Ecklein, Michele Eichacker, Darlene Gross, Barb Shearer, Theresa Lauck, Val Westhoff, Ruth Rotert, Sharon Kinzley, Diane McGreggor, Vivian Sabers (choir leader of 47 years); front row l to r: Joanne (Kayser) Wheeler, Linda Mehlbrech, and Gert Kayser. Not pictured are Cathy Roling, Jennifer Roling, Katherine Jaeger, Joni Wagner, and Katie Heumiller.

On June 6th, St. Mary's Choir was invited by Gert Kayser, formally of Salem, to come and sing for them at her home in Madison, at Bethel Nursing home. Gert is only 100 years young and still going strong.

This was just what we needed a road trip—the choir formed its union and sang for the first time Christmas of 1976 with 6 members and as of today we have 4 of the original members still with us. We sing with passion and the love of our faith. No one has a formal degree in music, unless you would call Sr. Amica, a 4ft 8in whirlwind of music, that taught the original six who attended St. Mary's grade and high school, formal training.

Through the years many have come and gone from the group at present we are 20 members strong. We sing music from unison to 4 part harmony, A Capella, with guitars, piano, or organ. We have traveled 5 states to sing, we have sung at Blue Cloud Abbey, St. Joseph's Cathedral, State Fair, TV mass, Mass in the Parks, the State Penitentiary, Nursing Homes; sung for St. Mary's Centennial Mass, Ordinations, Weddings, Funerals, Anniversaries, First Communion, Confirmations, Graduations and weekend masses too numerous to count. We have sang with 7 pastors and 2 retired residential priests along with many visiting priests.

We have never taken a dime from our Parish—if we needed funds for music or an instrument, such as the baby grand piano, we did fundraisers in the form of concerts and free will donations, we even have made a CD of our music at one of our concerts and sold those. Practice for many many years was every Wednesday night; we work hard at getting it right, but we are our own worst critics "Where there is a Will there is a Way." We have been known to sing for food and always try and gather together once or twice a year for a potluck and stories again too numerous to mention but through all of this the good times and the bad we have formed a bond that is unbreakable and maybe that is why sometimes we sound like one voice. There are 19 steps to the choir loft and an Old Saying that when you Sing you Pray Twice, well one of those prayers is that we can still get up to the choir loft to continue our music ministry as we hope we will be able to continue for many more years. *Thanks for listening to us all these years.*

ST. PATRICK'S PARISH, I would like to ask for prayers and discernment from all members of the congregation this summer for the upcoming 2023-24 religious education teachers and helpers. We will need 4 more teachers for the 1st-8th grade children and 3 continuous helpers. This will allow the kids to have the opportunity to actively engage and bear an abundance of fruit each week that leads them closer towards their discipleship for Christ. Please take some time this summer to discern if God is calling you to a more active role in teaching or helping the children of religious ed.

Thank you, Fr. Jones and Maggan Krempges
