I Wait for You The Light is On

Each church is now open all the time, and with a light on so you can stop by any time and pay a visit to our Lord. It's why He sits there day after day, night after night – He waits for His sons and daughters to come to Him, to pay Him a visit, to spend time with Him, to speak to them.

Any man can be a Father;
but it takes someone special to be a Dad.

This weekend we celebrate **FATHER'S DAY**. A tradition that families celebrate with a family BBQ, a visit to the folks house, and gifts for dad. It's a day we use to show gratitude to our Fathers for all they do to support us in life. The role of Father has changed some, there is still the traditional role of father but there are other male role models like step-fathers, grandfathers, brothers, godfathers, and special friends that are honored this day. It really doesn't matter how they step in to show guidance, love and help, we take the time today to recognize them. This day honors the husband

of the Virgin Mary and father of Jesus Christ. The tradition of Father's Day has only been officially recognized in the United States since 1972. Children whose fathers are involved in their life in a beneficial way tend to do better in school and stay out of trouble. We just want to say "Thank You" to all the wonderful dads, father figures, grandfathers, godfathers, priests and to the Holy Father today for all you do to bring the light of Christ to your children.
